Canada's performing artists help us to discover ourselves and the world around us. Their creativity and commitment have made Canada's performing arts scene an international success and a source of pride to Canadians across the country. The Canada Council for the Arts is proud to support the performing arts at all stages of the artistic process, from creation to production to performance.

The Governor General's Performing Arts Awards are an opportunity to celebrate the men and women who play a leading role in shaping our cultural landscape. As a founding member of the Governor General's Performing Arts Awards Foundation, the Canada Council contributes \$150,000 annually to the Foundation for six \$25,000 awards in recognition of the recipient's contribution to the cultural life of Canada. Since 2000, the Council has contributed a total of \$1,770,000 to the Awards.

The Canada Council, Canada's national arts funder, awards more than \$153 million each year in grants, prizes and services to professional artists and arts organizations in over 1,900 communities across Canada. For more information, visit canadacouncil.ca
