## **2016 GOVERNOR GENERAL'S PERFORMING ARTS AWARD PARTNERS**

### **National Arts Centre**

The Awards continue to benefit from a significant partnership with **Canada's National Arts Centre (NAC)**. Dedicated to achieving the highest presence for the Awards, the NAC is responsible for the production of the annual Gala performance, as well as the event's fundraising and marketing activities. The NAC's in-house expertise significantly enhances the profile of the Awards and their distinguished recipients.

### **National Film Board of Canada**

A partner with the Governor General's Performing Arts Awards (GGPAA) since 2008, the **National Film Board of Canada (NFB)** brings together some of Canada's most talented filmmakers to capture the essence of each Award laureate in short films that serve as unique portraits of great Canadians—and inspired works of cinema in their own right. Immediately following their premiere at the GGPAA Gala on June 11, these films will be available on the NFB's online Screening Room, [NFB.ca](http://NFB.ca), and via its family of apps, so that all can share in this celebration of Canadian performing arts excellence.

### **Department of Canadian Heritage**

As a supporter of the Awards since their creation in 1992, the **Department of Canadian Heritage** is proud to celebrate and promote Canada's performing artists at home and on the international stage.

### **Canada Council for the Arts**

The **Canada Council for the Arts** generously provides the prize money for the Lifetime Artistic Achievement Awards. In addition, the Council offers expertise in the management of the programs, particularly of the jury and nominations component, as well as an important presence on the Board and committees. The Council's valuable input and support have been instrumental in the development and continued growth of the Awards.
