

Canada Council for the Arts

The Canada Council for the Arts is proud to support the Governor General's Performing Arts Awards and to celebrate outstanding performing artists who have enriched their art forms – and the lives of all Canadians.

The Canada Council supports performing artists at all stages of their careers. As a founding member of the Governor General's Performing Arts Awards Foundation, it contributes up to five awards of \$25,000 (\$125,000) to the Foundation annually in recognition of the recipients' contributions to the cultural life of Canada. Since 2000, the Council has contributed a total of \$2,295,000 for the Awards.

As Canada's national arts funder, the Council awards more than \$196.8 million each year in grants, prizes and services to professional artists and arts organizations in over 1,881 communities across Canada. In the coming years, it will be increasing our investments in Canadian talent so that more and more Canadians can experience and benefit from it. For more information, visit canadacouncil.ca
