FACTSHEET

THE GOVERNOR GENERAL'S PERFORMING ARTS AWARDS

The Governor General's Performing Arts Awards (GGPAA) are Canada's foremost distinction for excellence in the performing arts. Created in 1992 by the late Right Honourable Ramon John Hnatyshyn (1934–2002), then Governor General of Canada, and his wife Gerda, these awards are the ultimate recognition of Canadians whose accomplishments have inspired and enriched the cultural life of our country and showcased Canadian talent abroad.

LIFETIME ARTISTIC ACHIEVEMENT AWARDS

Each year, five **Governor General's Performing Arts Awards for Lifetime Artistic Achievement** are presented for outstanding achievement in the fields of theatre, dance, classical music, popular music, radio and television broadcasting, and film. Each award is accompanied by a \$25,000 cash prize contributed by the Canada Council for the Arts, and a commemorative medallion.

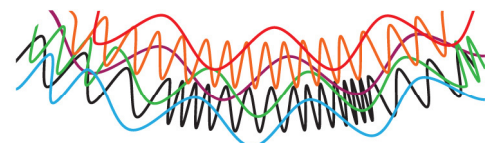

RELATED AWARDS

Two other awards are presented as complements to the GGPAA for Lifetime Artistic Achievement.

The Ramon John Hnatyshyn Award for Voluntarism in the Performing Arts recognizes outstanding volunteer service to the performing arts by an individual or group. Each laureate receives a specially commissioned artwork created by a Canadian artist, and a commemorative medallion.

The National Arts Centre Award recognizes work of an extraordinary nature and significance in the performing arts by an individual artist and/or company in the past performance year. It consists of a \$25,000 cash award contributed by the National Arts Centre (NAC), a specially commissioned artwork by a Canadian artist, and a commemorative medallion.

All commemorative medallions are generously donated by the Royal Canadian Mint.

THE MENTORSHIP PROGRAM

The Governor General's Performing Arts Awards also include a unique Mentorship Program, a partnership inaugurated in 2008 between the GGPAA Foundation, the National Arts Centre and The Keg Spirit Foundation. Designed to benefit a talented mid-career artist, the program brings together a past GGPAA recipient with a next-generation artist who has the opportunity to share, learn and grow from the experience and insight of their mentor. The Mentorship Program serves as a creative catalyst and an investment in future Canadian artistic achievement.

NOMINATION AND SELECTION PROCESS

Nominations for the **Governor General's Performing Arts Awards for Lifetime Artistic Achievement** and the **Ramon John Hnatyshyn Award for Voluntarism in the Performing Arts** are submitted by the general public and reviewed by juries composed of specialists in each discipline. Each jury selects the four candidates they feel are most deserving of the award. The names are then submitted to the Board of Directors of the GGPAA Foundation, which makes the final selection of the recipients.

The recipient of the **National Arts Centre Award** is selected by a committee of senior NAC artistic programmers.
