

## 2024 GOVERNOR GENERAL'S PERFORMING ARTS AWARDS PARTNERS AND SUPPORTERS

### National Arts Centre

The Awards continue to benefit from a significant partnership with **Canada's National Arts Centre (NAC)**. Dedicated to achieving the highest presence for the Awards, the NAC is responsible for the production of the annual Awards Gala show, as well as the event's fundraising and marketing activities. The NAC's in-house expertise significantly enhances the profile of the Awards and their distinguished recipients.

### National Film Board of Canada

A partner with the Governor General's Performing Arts Awards (GGPAA) since 2008, the **National Film Board of Canada (NFB)** brings together some of Canada's most talented filmmakers to capture the essence of the Award laureates in short films that serve as unique portraits of great Canadians—and inspired works of cinema in their own right. Immediately following their premiere at the GGPAA Gala on June 8, these films will be available on the NFB's online Screening Room, [NFB.ca](http://NFB.ca), and via its family of apps, so that all can share in this celebration of Canadian performing arts excellence.

### Department of Canadian Heritage

As a supporter of the Awards since their creation in 1992, the **Department of Canadian Heritage** is proud to celebrate and promote Canada's performing artists at home and on the international stage.

### Canada Council for the Arts

As a founding member of the Governor General's Performing Arts Awards Foundation, the **Canada Council for the Arts** contributes five awards annually, worth \$25,000 each, for Lifetime Artistic Achievement in the categories of classical music, dance, popular music, screens & voices (formerly broadcasting & film), and stages (formerly theatre). In addition, the Council offers expertise in the management of the programs, particularly of the jury and nominations component, as well as an important presence on the Board and committees. The Council's valuable input and support have been instrumental in the development and continued growth of the Awards.
